

WHO ARE WE?

Africa Sub-Saharan Foundation "F. A. SUB "

F.A.SUB IN AFRICA

F. A. SUB. performs its activities of solidarity in development cooperation projects in poor countries and for the weak population especially for children, women and the elderly, in five major areas:

- * HEALTH
- * FOOD SUPPLY
- * EDUCATION
- * HOUSING
- * WORK
- * PUBLIC TRANSPORTATION

In Cameroon we conducted projects in collaboration with **CIGRAP** such as starting a cooperative operation of banana trees and palm trees to extract oil, to enable these communities to be independent, in addition to Collaboration in the creation of a school.

Currently, we are in the phase of starting the construction of a hospital at **NKPWANG** in "Cameroon". With the objective to solve the many urgent necessities that the population suffers such as health problems with children, women especially pregnant women and

F.A.SUB IN SPAIN

F.A. SUB. is currently working for **A large project** called the "**MULTICULTURAL CENTRE OF ARAGON**". This centre will provide full help to the population in General, especially to immigrants. For the effective management of the CENTRE, it is planned to work in five concrete areas:

- 1.- LEGAL SECTOR
- 2.- WORK AREA
- 3.- SOCIAL SECTOR
- 4.- TRAINING AND VOLUNTEERING
- 5.- SOCIO-CULTURAL DYNAMIZATION

The other activity carried out by **F. A. SUB** is the creation of the **TENT OF INTREGATION** where the **MARKET OF CULTURES** is also based. This activity has been completed with great success, in the **PILAR** festivities editions 2008, 2009 and 2010.

The Foundation also took part with it's tent of integration in the Festivals of Ebro editions 2009 and 2010, culminating with this to fortify the associative connections and disclose the rich cultures of the participant countries
